Church Request Up in Council

Gospel Lighthouse Seeks Re-zoning of Lot on El Prado

City Engineer Leonard and City Attorney Briney reported to the Council Tuesday night that the request of the Gospel Lighthouse Association for a rezoning of the lot at El Prado and Arlington so that a church may be constructed on the property must be taken up in accordance with the zoning ordinance. Mr. Briney promised that he would co-operate with the church officials in preparing the necessary forms. It was stated that signatures of property owners within 800 feet of the lot should be secured and a date set for a public hearing. This, it was indicated, will be done.

Sinclair Wins Oratory Honor

High School Senior to Represent Torrance at District Contest

Richard Sinclair repeated his success of last year when he won the High School Constitutional oratorical contest Tuesday night. John Young won second place and Carl Jones, third. In the Junior High contest Marjorie Roeloffs won first, Bernice Baker, second, and Albert Currier, third. The \$50 prize donated by George Neill was divided as follows: Richard Sinclair, \$20; John Young, \$5; Carl Jones \$5; Marjorie Roeloffs, \$5; Bernice Baker, \$4; Albert Currier, \$3.
Richard Sinclair will represent Torrance High in the district contest at Wilmington Friday night, March 30. Eight schools will be represented.
According to those who heard the contest Richard's address was better Tuesday night than it was at the district contest last year. He has worked on it for three years.
In preparation for the district contest he will give the address before the Rotary and Kiwanis clubs here and at several Torrance churches. He gave it at the Women's Club meeting today.

SCHOOL NEWS

HIGH SCHOOL NOTES
Unless there is an enrollment of twelve in the night school English class it will be disbanded Thursday, March 22. The people of Torrance have failed to respond for two years to this opportunity to improve their written and spoken English, though they keep alive many lodges and social clubs. Though there are several faithful interested members, there must be more. Do you want to lose this last chance for an English class or will you help it out?
The classes of W '29 and S '30 have been given the responsibility of choosing a regular class pin for all the years in Torrance high. They are having quite a debate but will decide in time.
The class of 1929 of Torrance High School, Torrance, California, presents "The Tightwad", a three-act comedy, March 23, 1928.

Revival Draws Torrance Crowds

The revival at the First Methodist church has been well attended this week. Interest is growing under the preaching of Rev. Young. The City of Torrance has an opportunity to hear great gospel preaching and it is expected that the church will be crowded during the rest of the services. Services are held each night at 7:30.

Tells How to Keep Garbage Can Tops

Reading in The Herald that Boy Scouts have reported many garbage can tops missing in Torrance Mrs. Nettie Steinhilber of Gramercy avenue suggested that housewives adopt her plan of preventing the divorce of the can top from the can.
"Get a chain," advises Mrs. Steinhilber, "and attach one end of it to the can top and the other to a tree or fence. Then when the garbage is emptied the top will stay put. It may be nosed off by a dog, but it cannot be appropriated by a small boy who wants to play Roman soldier—and it will always be where you want it."

Keystone Notes

Mr. and Mrs. C. Larsen of Main street were guests Sunday at the home of their daughter, Mrs. Henry Anderson on McDonald avenue, Wilmington.
Mr. and Mrs. I. P. Gates and family, Mr. and Mrs. L. Viebrock, and Mr. and Mrs. Carl Vandingstee of Los Angeles; Mr. and Mrs. E. P. Everard and Mr. and Mrs. Ray Schureman of Pasadena; and Mrs. E. H. Poole, Mrs. K. S. Nagel, Mrs. Barbara Berry, Roy Berry, and Mr. and Mrs. Harry C. Roque and family enjoyed a basket lunch at Brookside Park in Pasadena Sunday. In the afternoon they visited the wistaria fete held at the home of Mrs. H. T. Pennell in Sierra Madre.
The vine, which is about three hundred and fifty feet long, was planted in 1838, and now encircles the Pennell home on Scenic Point. When it is in full bloom it is a riot of flowers along its entire length. For more than ten years this fete has drawn thousands of admirers from far and near and last year the register at the vine carried the names of visitors from every state in the union, and many foreign countries were represented. In the evening Mrs. Ray Schureman entertained the Pasadena and Keystone folk with a five hundred party after a supper was served by the hostess. Mr. Roque and Mrs. Berry won awards for high score and Mrs. Poole and Roy Berry won second prizes.
Little Frances Sheehan of Dolores street has been ill for the past week at her home and is now improving.

"I asked the Bank of Italy to act as Executor and Trustee of my estate because"

"Who among my friends and relatives could possibly possess the cumulative knowledge of estate procedure of this great financial institution? Who among them has the resources, financial responsibility, broad experience and specialized facilities of California's largest bank? Why should I burden a friend with the cares and responsibilities incident to managing my estate? I knew that the Bank of Italy was thoroughly equipped for this work, and I learned that the cost was no more than I would have to pay an individual.
